

IFR Flying with GPS

Push button navigation. Magenta lines leading us to the destination. Graphic displays, synthetic vision and all of it is tied to satellites hovering in space. Do you know how to use the system to its fullest? Come listen to Bruce discuss what you need to know about IFR and the GPS.

Directions: Western Washington Fairgrounds are located in Puyallup, just off Hwy 512 at the corner of S. Meridian and 9th Avenue SW. Enter fairgrounds through the Blue Gate. This seminar will be held in the Keynote area.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
